

## Rownhams Lane Dental Care Plan

At Rownhams Lane our aim is to provide high quality care and treatment in a relaxed, comfortable and safe environment. We are committed to continuing education and keeping abreast of the changes in modern dentistry.

Research shows that preventive dentistry delivered on a regular basis greatly reduces the risk of dental disease and provides a platform for a lifetime of improved oral health. We encourage such an approach and with this in mind we have joined with DPAS Limited to design a dental plan to reward loyal patients. This plan will be administered by DPAS who will make a separate arrangement with you to manage your payments under the plan. The plan will provide advantages both to you and to us. It will allow us to plan your dental care more effectively and provide the best chance of keeping you dentally fit. The advantage for you is that it should reduce the need for future treatment and you will have the peace of mind that all of your preventive dental care will be covered by convenient monthly payments. Our plan also provides worldwide Supplementary Insurance for dental emergencies or dental injuries whilst at home or abroad (see overleaf).

### Key benefits include:

- Regular examinations and Hygienist visits give you the best preventative care for long term dental health
- Regular monthly payments help you to spread the cost of your preventative care over the year
- 20% discount on treatment fees when treatment is required
- Access to a 24 hour dental emergency helpline 365 days per year
- Worldwide Supplementary Dental Injury and Emergency Insurance (see overleaf).

### How do I join the plan?

Patients can join the Rownhams Lane Dental Care Plan, following an independent examination with Miss Dave (£47.50 inc. small x-rays, £72.50 inc. panoramic x-ray). All you have to do is complete a registration form for us and a Direct Debit mandate and authorisation form for DPAS.

In addition to your first monthly payment, an initial registration fee of £10 per person will be charged by DPAS and will be included in your first Direct Debit payment.

### A Point to Ponder:

Money spent on prevention keeps you problem and pain free for long periods of time. If treatment is necessary at some stage, it is likely to be minor rather than major.

### Who are our plans for?

Our plans are designed for patients who wish to attend the practice on a regular basis and have peace of mind that their preventive dental care is covered. Please note, treatment is not covered in our plans and should be paid for separately (with the discount applied). Estimates will be given for all treatment provided.

### How to cancel plan membership?

If you choose to leave the plan for any reason you can do so by simply giving us one month's notice and you must contact the practice to ensure sufficient payments have been made to cover any plan appointments taken during the "plan year".

### What happens in an emergency?

You will have access to a 24 hour, 365 day worldwide dental emergency helpline, which will endeavour to find an English speaking dentist to assist you.
